## FINDING WELDON

Directions to **Weldon Contracts Head Office (W1)**  
at the A46, north of Newark.

**From the A46 travelling south from Lincoln:** Take the Norton Disney exit left, after signs to Collingham. Turn left at the T-junction towards Norton Disney. Take the next left (a narrow driveway with a white wooden fence at its entrance, with The Grange signposted). Follow the drive until the next left turn. Turn left and follow it to the end. The Grange is straight ahead.

**From the A46 travelling north from Newark:** Take the second Norton Disney exit after the Brough rest area. Turn left at the T-junction towards Norton Disney. Take the next left (a narrow driveway with a white wooden fence at its entrance, with The Grange signposted). Follow the drive until the next left turn. Turn left and follow it to the end. The Grange is straight ahead.

Directions to **Weldon Contracts Manufacturing (W2)**  
at the A1, north of Newark.

**From the A1 travelling south:** Take the Cromwell exit. Turn right into Cromwell over the A1. Take the first left. Take the first right to Norwell. Follow the road over the railway crossing, through the village heading for Norwell Woodhouse. Take the first left turn, signposted 'Caunton'. Glebe Farm is the first farm on the right. Take the first entrance into the farm and through the yard to the far end. The workshop is straight in front of you.

**From the A1 travelling north:** Take the Caunton turn under the A1 bridge. At the T-junction turn right signposted 'Caunton'. Follow the road over the railway line. Take the third right turn signposted 'Norwell', just before the bridge. Glebe Farm is the second group of buildings on the left. Turn into the farmyard at the third entrance to the farm. The workshop is straight in front of you.
